

PREPARE FOR THE CFA® EXAM WITH THE NEW YORK AREA'S QUALITY AND VALUE LEADER

POSITION YOURSELF FOR SUCCESS on the CFA® Exam this year. Success on the CFA® Exam is dependent upon the effectiveness of your preparation. Let Ron Quintero serve as your mentor and coach by delivering to you the most complete array of programs, instructional materials, and the most experienced CFA® trainers available in the New York metropolitan area.

- **Wide range of programs and formats.** R. G. Quintero & Co. offers a wide range of CFA® programs tailored to meet the unique scheduling needs and learning preferences of our candidates. Formats include weekly programs, weekend programs, intensive-review programs, and financial statement immersion programs.
- **Most experienced CFA® instructor.** Ron Quintero has been one of the most active CFA® trainers in the world over the past fifteen years. He is the primary instructor in more than 30 CFA® programs per year. Ron's programs include open-enrollment programs, as well as in-house programs for the world's leading investment banks, commercial banks, and international monetary organizations.
- **You are taught by the owner.** Ron takes personal responsibility for your success. He is the lead instructor, and he teaches more than 80% of the sessions. Those sessions that he does not teach are led by functional experts with substantial CFA® training experience. See Ron's bio on the reverse side of this form.
- **Special discounts on Schweser products.** We provide students enrolled in our programs discounts on the entire family of Schweser products, including the Schweser Study Notes (\$249 vs. retail price of \$329) and the SchweserPro QBank (\$149 vs. retail price of \$249).
- **Q-Notes®.** Your in-class experience and review will be enhanced by the Q-Notes®, which are condensed notes with highlights, formulas, representative problems, and other useful study aids (call us to obtain a free sample). The format of the Q-Notes® enables candidates to review an entire session in as little as fifteen minutes—repetition leads to mastery. Many candidates use the Q-Notes® as the primary focus of their review.
- **Small classes/accessible instructors.** Want a large lecture facility with unapproachable instructors? Look elsewhere. The aforementioned is a reason that some candidates find CFA® review courses to be a waste of time. Our classes generally have 10 to 30 students. Our instructors are very approachable, and are all accessible via telephone, FAX, and e-mail.
- **Convenient midtown Manhattan location.** Our New York City programs are held at the Williams Club (a short walk from Grand Central Station, the Port Authority, and Penn Station).
- **Connecticut classes offered through the Stamford CFA® Society (SCFAS).** For the convenience of our candidates in the Northern Suburbs, we offer a biweekly review program as well as a Financial Statement Analysis program in Stamford, Connecticut. Proximity to the Stamford train station, coupled with a 44-minute express train ride from Grand Central Station, make this a viable option for NYC candidates. Meanwhile Stamford candidates may use the NYC programs to make up sessions or to distribute the course load over more meetings.
- **Make up or repeat sessions at no cost.** We want to take away any excuses for not doing well on the Exam. Take advantage of our large selection of dates, times, and locations to make up or repeat sessions. Candidates in our weekday and weekend programs can make up or repeat classes in any of our other programs at no cost.
- **Free intensive-review program.** Candidates in our weekday and weekend programs may also attend our intensive-review programs to make up or repeat sessions, or for a final review of some or the entire program.
- **"Two-fors" assurance plan.** We are so confident in our ability to help you succeed that if you don't pass the Exam in December, we will allow you to take our intensive-review program if you must retake the Exam for only \$250.
- **No-cost deferral.** If work or other responsibilities prevent you from sitting for the Exam in June, you can reregister for our June 2008 program at no cost (you must make this request in writing six weeks prior to the Exam)
- **Outstanding value.** For our all-inclusive fees, detailed below, you will receive outstanding training, the New York area's most complete lineup of courses, the Q-Notes®, free make-up and repeat sessions, and deep discounts on the Schweser family of products. There are no additional charges for enrollment fees, training materials, or anything else.
- **Group and corporate discounts.** Sign up with two or more colleagues at any level and each person receives a \$75 discount on our CFA® review programs (or \$50 on our FSA program). Corporations or groups of five or more candidates are entitled to discounts of \$125 per person.
- **Financial Statement Immersion Programs.** These programs are designed to guide candidates from the basics through the more advanced concepts of Level 1 Financial Statement Analysis. They have been well received by candidates of all backgrounds. They provide an in-depth review of FSA, and are intended for candidates who did not take a full CFA® review program, or who wish to get into a level of detail beyond what is typically covered in the FSA portion of CFA® review programs.
- **Free admission to our Financial Statement Immersion Programs** is provided to candidates in our Saturday and Sunday programs.
- **50% tuition discount** is available for all of our current or former students taking the Financial Statement Immersion Program and for former RGQ&Co./SCFAS students who are retaking the Level I Exam.
- **\$300 scholarships are available for full-time undergraduate and graduate students.**
- **Join a class in progress.** Even if you missed one or more sessions, you can make it/them up at no cost by attending our weekend programs and/or intensive-review program. Since classes are not interdependent, you will not feel lost if you start late. Candidates who prefer a weekly program but who do not wish to get started until September can join the Monday class in September, and make up substantially all of the sessions by coming to three of our half-day Saturday sessions during September.
- **Attend a session without cost or obligation.** Experience one of our classes and you will learn first-hand why our students have been successful. Contact our office at (212) 505-9743 to reserve a seat on a first-come, first-serve basis.
- **Talk with our sales force—our students and alumni.** More than 90% of our students are alumni or candidates enrolling based on referrals from alumni. We encourage you to talk with others who have taken our courses.
- **Sign up now** and we'll send you the **Schweser Study Notes** right away.

About Ron Quintero. Over the past fifteen years Ron has taught more than 300 CFA® review programs in North America, Europe, and Asia. These programs have included open-enrollment programs, as well as in-house programs for leading investment banks, commercial banks, international monetary institutions, and financial services organizations. For several years Ron was the director of CFA® review programs offered through the New York Institute of Finance. Besides being a CFA® charter holder, he is a CPA, CMA, CFP, CFE, CTP, CIRA, CDBV, and ABV. To obtain these licenses, Ron passed more than 20 examinations—all on the first sitting. He shares the approaches that he has successfully applied with his students. Ron is an award-winning lecturer and writer, and a CFA® practitioner with real-world experience. Before starting his firm in 1988, he was a member of the Corporate Finance Department at Bear, Stearns and the Management Consulting Department of KPMG.
